Dear Valued Customer,

SELEE Corporation has completed review of the European REACH regulations (list dated June 10, 2022), including new items added to the SVHC candidate list and interpretation of Article 33. SELEE Corporation hereby confirms that none of the products we supply contain Substances of Very High Concern (SVHC) in quantities greater than 0.1% (w/w).

SELEE Corporation will diligently monitor the evolving REACH regulations. We assure you that the products we supply will be in compliance with this legislation.

If you require additional information or have question about our products, please do not hesitate to contact us.

Regards,
